

How about giving some 'hands on' help!

Perhaps you have a knack for organising fundraising events, have a bit of marketing flair or have IT skills. Contact us now to find out more about volunteering opportunities.

You can even become a member

Membership is open to individuals over 18 and to organisations who are approved by the Trustees. Annual Subscription costs just £15 a year and is the perfect way to become more closely involved with the work and objectives of the charity.

You can also make a donation online or by post, or you can give regularly paying through standing order. You can also make the taxman help too (Gift Aid).

A gift in your will

Leaving a gift to Building Hope is a way you can make a huge difference to people in Ethiopia. We hope to support many more housing and income generating projects through the Ethiopian National Association of Persons Affected by Leprosy (ENAPAL) and also establish further links with schools in the UK and Ethiopia. Do let us know if you are including Building Hope in your will so we can thank you and keep you in touch with our work. Please email Veronique (rizzutov@buildinghope.co.uk) for a confidential chat.

If you like to support our charity work in Ethiopia please email us or visit our charity website.

Registered Charity No. 1110814

Turning someone's life around may be easier than you think!

Children from Karagutu School

Building Hope
PO Box 532
Southport PR8 4WQ

With Building Hope, you really can make a world of difference

Building Hope is a Registered Charity working in Ethiopia to improve the lives of the poorest and the most disadvantaged families, specifically those affected and disabled by leprosy. We do this mainly by providing better housing, educational opportunities and ways to earn a living.

With your help there's so much we can do

We have already achieved so much, such as building and equipping a library and improving sanitation facilities for Karagutu School. We are also providing financial help for the construction of much-needed homes and for small scale income generating projects for members of the community affected and disabled by leprosy. We can only continue to fund the construction of houses through your generosity.

Why not sponsor a student!

By sponsoring a student, you are not just investing in the future of one individual, but in the future of an entire community. Our

sponsored students are studying diploma and degree programmes in Nursing, Tourism and Hotel Management and Accounting. It costs about £780 a year to fund a scholarship (incl. living expenses). We accept small or large donations.

Or support a school link!

This is a great way to help and has already proved a huge success. School links enabled students and teachers in the UK and in Ethiopia to learn about and support each other. It is also a fun and stimulating way to start fundraising by giving children a real insight into each others' lives.

There are more ways to Build Hope

'Gifts with a difference'

Naturally, all charities depend on donations and ours is no exception. If you prefer, you can give a 'gift with a difference', such as a school desk, a toilet or even a donkey. Your gift will give hope and a brighter future to a child or a community who badly needs it in Ethiopia.
